Shan and the Forest of Smiles

One sunny morning, Shan walked into a beautiful forest filled with soft light and gentle sounds.

Everything felt magical… as if the forest was waiting just for Shan.

A fluffy rabbit hopped closer and said,
"Hello Shan! Welcome to the Forest of Smiles."

Shan blinked… the rabbit could talk!

Above them, birds sang sweet songs.
"Sing with us, Shan!" they chirped happily.

Shan smiled and listened to the melody.

A big gentle elephant came forward and said,
"Kindness makes the forest shine."

Shan touched its trunk and felt happy.

A slow turtle whispered,
"Take your time, Shan. Every moment is special."

Shan walked slowly… and noticed tiny flowers.

A monkey swung down laughing,
"Let's play, Shan!"

Shan giggled and clapped with joy.

A deer stood quietly and said,
"Peace lives in your heart, Shan."

Shan took a deep breath and smiled softly.

As evening came, tiny fireflies glowed around Shan.
"You bring light wherever you go," they whispered.

Shan felt warm and special.

A big tree spoke gently,
"You are kind, brave, and wonderful, Shan."

Shan hugged the tree with love.

As Shan walked home, the forest whispered,
"Come back anytime."

And Shan knew… the smiles would always stay in the heart.
