Niku and the Forest of Smiles

One sunny morning, Niku walked into a beautiful forest filled with soft light and gentle sounds.

Everything felt magical… as if the forest was waiting just for Niku.

A fluffy rabbit hopped closer and said,
"Hello Niku! Welcome to the Forest of Smiles."

Niku blinked… the rabbit could talk!

Above them, birds sang sweet songs.
"Sing with us, Niku!" they chirped happily.

Niku smiled and listened to the melody.

A big gentle elephant came forward and said,
"Kindness makes the forest shine."

Niku touched its trunk and felt happy.

A slow turtle whispered,
"Take your time, Niku. Every moment is special."

Niku walked slowly… and noticed tiny flowers.

A monkey swung down laughing,
"Let's play, Niku!"

Niku giggled and clapped with joy.

A deer stood quietly and said,
"Peace lives in your heart, Niku."

Niku took a deep breath and smiled softly.

As evening came, tiny fireflies glowed around Niku.
"You bring light wherever you go," they whispered.

Niku felt warm and special.

A big tree spoke gently,
"You are kind, brave, and wonderful, Niku."

Niku hugged the tree with love.

As Niku walked home, the forest whispered,
"Come back anytime."

And Niku knew… the smiles would always stay in the heart.
